St. Christina of Tyre Mission has been in its new home for over two years now. However, this is only the beginning of our dream – to provide a permanent Orthodox Christian presence and witness in the Fremont area. In order to reach the next step, we must first pay a back a number of loans incurred in purchasing the properties at 3721 Parish Avenue & 3612 Peralta Blvd. Once that is accomplished we can move to our next goal – building our new temple. By God’s grace and with your help and our annual banquets, we have already paid off \$255,000 in the past few years! Thank you! However, we still have over \$800,000 to go.

***The goal of this banquet and silent auction is to help raise the funds necessary for these principal payments.***
